PROFESSIONAL EXPERIENCE

Contract Tax Analyst Experience

PwC

November 2025 – Present | Dallas, TX

Contract engagement at PwC supporting indirect tax compliance and SALT research for multi-state clients.

- Performed Sales & Use taxability analysis and indirect tax compliance research across multiple states, preparing tax research memoranda documenting state-specific positions.
- Reviewed and validated exemption certificates, identified compliance gaps, and supported audit defense documentation for client accounts.
- Applied state DOR portal research and CCH IntelliConnect to verify current tax statutes, jurisdictional tax rate changes, and tax notices across client portfolios.

Senior Tax Analyst | Ryan LLC

July 2022 – December 2023

Promoted from Tax Analyst based on research quality, client delivery, and contributions to team capability.

- Led Sales & Use Tax and indirect tax compliance research across all 50 U.S. states, delivering taxability determinations and improving compliance accuracy across filing workflows for 50+ client accounts.
- Maintained jurisdiction-level tax rates across state, county, and municipal jurisdictions using tax content management software, ensuring rate accuracy for client tax return preparation and multi-state tax compliance.
- Supported indirect tax consulting engagements for multi-state clients, advising on taxability positions, exemption applicability, and state & local tax regulations.
- Supported tax rate automation by validating jurisdiction-level rates using SQL and Excel, assisting the forms development team in reducing manual rate entry errors.
- Prepared tax research memoranda documenting state & local tax regulations, revenue rulings, and taxability positions across multiple client engagements and jurisdictions.
- Provided audit defense support by compiling work papers, organizing transactional documentation, and coordinating responses to state auditor inquiries.
- Researched Washington B&O Tax, Business Personal Property Tax, and complex indirect tax structures, analyzing thresholds, classifications, and exemptions for multi-state clients.

Tax Analyst | Ryan LLC*August 2020 – July 2022*

- Conducted Sales & Use Tax compliance research across 45+ states, performing taxability analysis and drafting tax research memoranda using CCH IntelliConnect and state DOR portals.
- Administered tax rates in content management software, cross-referencing DOR sources to identify and correct jurisdictional tax rate discrepancies for client accounts.
- Supported tax return preparation and indirect tax advisory for client engagements, assisting senior analysts with audit defense documentation and work paper preparation.
- Trained 3 junior analysts on SALT compliance methodology, CCH tools, DOR navigation, and tax exemption management best practices.

Business Analyst | Addicor Technologies*January 2019 – July 2020 | Bangalore, India*

- Gathered and documented compliance and business requirements for 12+ projects, improving requirement clarity and reducing rework by 25%.
- Built SQL and Power BI reporting dashboards, reducing manual reporting effort by 35% across finance and operations functions.
